This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at `http://books.google.com/`

266. ERNESTO CANAC, Porto Alegre. Matte of different kinds: (*a*) from Palmeira; (*b*) from Taquary; (*c*) from Santa Cruz; (*d*) from S. Jeronymo; all from Rio Grande do Sul, from the weakest to the strongest qualities, or bitter, for tea and for cuias - - - - - - 45

267. FRANCISCO GOMES, Caxias, Rio Grande do Sul. Matte - - - - - - - - - - 45

268. SCHROEDER & CO., Porto Alegre, Rio Grande do Sul. Theine, extracted from matte (Ilex paraguayensis) - - - class 546, group 87

This alcaloide is exhibited together with matte to show that the latter is a true substitute for Chinese tea. Matte is prepared from the leaves and new branches of Ilex Paraguayensis, a tree which abounds in the south of Brazil, in the States of Paraná, Santa Catharina and Rio Grande do Sul. It is prepared in two ways: from the leaves for tea (taken in cups) and from the leaves and new branches, reduced to a powder more or less fine, to be taken with the *pump* in *cuias*. Matte is an excellent drink, agreeable to the taste, and very healthy for its diuretic, tonic, aperitive and temperant properties. It can be taken with or without sugar, milk, anise seed, cinnamon, etc. It is drank all over the south of Brazil, and is exported in large quantities for Uruguay, Argentine Republic, Chile, etc. It is considered better than tea and coffee by the greatest part of those who become accustomed to it.

Many exhibitors exhibit collections of samples. Some commissioners, and also the Centro da Lavoura e Commercio, have sent them classed according to the types adopted in the commerce of New York, from Nos. 1 to 10, besides especial coffees, such as the *Lavado*, *Moka* (round), *Maragogipe*, *Dourado*, *Velho*, etc. The exhibitor of No. 299, João Xavier da Motta (from the State of Espirito Santo), exhibits a collection of coffees of said State, under the name of *Caffé Capitania*, classed under the names of *Husk*, *Sheil*, *Moka*, *Peaberry*, 1 *Regular*, 2 *Regular*, 1 *ordinary*, 2 *ordinary*, 3 *ordinary*, *Friage*, *Roasted*, *and Ground.*

GROUP 49.

METALLURGY OF IRON AND STEEL WITH THE PRODUCTS.

109.	COMMISSION OF THE STATE OF MINAS GERAES. Iron bar and different iron and steel works -	334
110.	FABRICA DE FERRO DO IPANEMA, S. Paulo. Iron bars, steel and pig-iron - - - -	334

GROUP 67.

History and Literature of Mining and Metallurgy.

Exhibit No. — Class No.

111. Commission of the State of Minas Geraes. A pyramid representing the total weight (615,000 kilos, in the value of 500,000 contos of reis) of gold extracted from the mines of the State, in the period of a century, from 1720 to 1820 - - - - - - 411

112. Commission of the State of Minas Geraes, Prof. Paul Ferrand. Map of gold mines of Minas Geraes - - - - - - - - 410

113. Companhia de Estrada de Ferro e Minas de S. Jeronymo, Rio Grande do Sul.
(*a*) Geological map of the carniboniferous basin of the State of Rio Grande do Sul, map of the coal mines of Arroio dos Ratos of the same State, and geological sections of the shafts of the mines - - - - - - - 410
(*b*) Historical memoir over the coal mines of Arroio dos Ratos - - - - 411

114. Companhia Mineralogica Brazileira, Minas Geraes. Maps and photographs of the Tripuhy mines - - - - - - - - 410

115. Dom Pedro Gold Mining Co. (limited). Photos of the mines of Jacútinga, Minas Geraes - 410

116. Lindenberg & Nogueira, Cabo Frio, Rio de Janeiro. Photos of salt pits - - - - 410

117. Minas de Ouro de Faria, Minas Geraes. Photos of mines - - - - - - 410

118. Ouro Preto Gold Mining Co. (limited). Photos illustrating mines and methods of working 410

119. Orville A. Derby (Prof.), S. Paulo. Photos representing the process of diamond mining - 410

Exhibit No.		Class No.
120.	S. João d'El-Rey Gold Mining Co., Limited, Minas Geraes.	
	(*a*) Photos, maps, plans and sections of the mines - - - - - - -	410
	(*b*) Statistics of same - - - - -	411
	(*c*) Three superposed cubes, representing the production, expenses and net profit of the gold mines of Morro Velho, during the period of 50 years, from 1836 to 1886, the largest representing the weight of 46.55 tons, and the value of £5,178,657 15s. 1d.; the second, the weight of 31.49 tons, and the value of £3,502,895 17s. 11d., and the smallest the weight of 15.06 tons, and the value of £1,675,761 17s. 2d. - - - - - - -	411

DEPARTMENT F.

Machinery.

++++++++

GROUP 79.

MACHINERY USED IN THE PREPARATION OF FOODS.

Exhibit No.		Class No.
1.	LIDGERWOOD MANUFACTURING CO. (limited), S. Paulo. "Engelberg" coffee huller - -	497
2.	McHARDY CO., Campinas, S. Paulo. McHardy double ventilator, *i. e.*, coffee and hull separator	497
3.	MECHANICA E IMPORTADORA (Companhia), São Paulo. Coffee cleaner and stone separator -	497

This set of cleaning machinery comprised also the "Catador" and "Separador" Sherington, whose case was not found. When the set is complete, after the coffee is placed in the bin, these four machines and elevators complete the operation without any hand work. These machines were worked under the inspection of the Companhia Central Paulista, and cleaned coffee with hull, sent by said company.

DEPARTMENT G.--TRANSPORTATION.

LOCATION, C 18.

Railways. Vessels, Vehicles.

GROUP 80.

RAILWAYS, RAILWAY PLANT AND EQUIPMENT.

Exhibit No. — Class No.

1. CENTRAL RAILWAY, Rio de Janeiro. Truck, appliances, models, maps and photographs - 500
2. BATURITÉ RAILWAY, Ceará. Appliances, maps and photographs - - - - - - 500
